MEMORANDUM FOR: Deputy Director for Support

SUBJECT: 100 Universities Program

REFERENCE: DD/S 67-5441, 24 Oct 1967

25X1 1. The survey of DCS [] requested in the referent memorandum has been completed. The [] believe that it would be unwise to resume the program in the near future. Their reasons were substantially uniform: "current unrest," "recent unfavorable press," and "SDS inspired action against recruiters." Among these negative responses were several opinions which indicated that the program had served its purpose and should probably be discontinued. Three [] report that it would be possible to resume the program at selected universities []

25X1 2. From these responses from DCS [] it would seem unwise to resume the program at this time.

REMARKS: We now have a firm recommendation from Personnel, supported by a note from Domestic Contact, to call off the 100 Universities Program this year. I suggest you raise this at the Noon Meeting Monday and ask Mr. Bannerman whether he wants a memo written to the DCI on this and, if so, whether it's in the nature of mere information as to what we're doing or a request for the Director's O.K. to call off the Program.
